Prevent Injuries

Kareem Browne, Assistant Coach for the 13 Purple and Manager for the 11 Black was injured at Showcase during BP with the 13 Purple team. He was behind an "L" screen and was struck with a hard hit ball in the left eye. His left eye socket was damaged leaving him with ongoing sight problems and will need to have surgery to repair the damage to the orbital bones. All players and coaches are reminded to always wear protective gear and be aware of everyone around them at all times. Everyone at Seattle Select Baseball wishes Coach Kareem a quick recovery.

Seattle Select Baseball Gives Back

Seattle Select Baseball has implemented a new "give back" program to all players. Starting in December, when each player's fees are paid in full, their name will be entered into a monthly drawing. Prizes, such as itunes, 3 GI and Baseball Savings gift cards; movie passes, iPods and an iPad will be given away. At each monthly Board Meeting, 3 names and 3 prizes will be drawn and awarded. The last drawing will be in June for an iPad2. Once your fees are paid in full, your name will be entered and you will be eligible for each monthly drawing until you have won a prize. In June, all player's that are paid in full (including previous winners) will be re-entered into the drawing for the iPad2.

Player Waivers and Birth Certificates

All players must turn in the medical waiver form along with a copy of their birth certificate. If you are a returning player, we already have a copy of your birth certificate. Players should not be practicing unless the signed waiver is turned in to their coach. If you need a copy of the waiver, please contact Joanna Engle at seattleselect.joanna@comcast.net
